Accident, injury – Bennett Griffin are the solicitors of choice

Bennett Griffin are pleased to announce that Toby Barrett has been awarded Senior Litigator status by the Association of Personal Injury Lawyers.

Toby is already a member of the Solicitors Regulation Authority's Personal Injury Accreditation scheme.

"I am very pleased that we have achieved these "Kitemarks". They reflect the work we do for accident victims. They have been achieved as a result of the care and attention that our Personal Injury team give to each individual case.

Many of our clients come to us as a result of having received poor service from the solicitors appointed by their Insurers. At Bennett Griffin we are careful to assess our clients wishes and act accordingly. In our experience clients want to be able to meet with their Solicitor and to be kept regularly updated."

Mrs H – "I was appointed solicitors in Newcastle by the insurance company of the driver who caused my accident! I suffered severe injuries resulting in the amputation of my right leg. I switched to Bennett Griffin and did not regret it. The process of claiming compensation is daunting. Toby's team kept me informed throughout. I was able to see him whenever I needed to. I am very happy to recommend Toby and Bennett Griffin's Personal Injury team."
