Newsletter

JUNE 2020

Well, what strange times we are living in! Life has certainly changed since lockdown started. Dementia Friendly Worthing is having to adapt to deal with the effect this has had on all of our lives.

For people living with dementia and their carers this time has been especially challenging with so many support services stopping to comply with social distancing rules.

As you may have been aware our coordinator's funding ended on 31 May, however the great news is, with thanks to Sussex community Foundation Fund, we can continue our work locally throughout the summer but in a slightly different way.

We will be keeping you up-to-date with monthly newsletters and hosting a variety of online zoom sessions collaboratively, with local organisations covering subjects such as Falls Prevention, Carers Wellbeing and Financial Support.

These will be free for anyone to join in.

We are keeping contact with local support services for people affected by dementia and waiting to find out when these will be up and running and any adaptations they've had to make.

Carers Support West Sussex
0300 028 8888

It is Carers Support week 8 - 14 June and a variety of virtual sessions for carers are free to access. Carers Support West Sussex are unable to run any support groups due to social distancing measures, however, many of these

have moved online. If you're not able to access the internet you can still take part on the phone.

West Sussex Community Hub
8am – 8pm
033 022 27980

The community hub continues to support people with prescriptions and basic food parcels. You can register with them online or on behalf of a family member.

New Virtual Sing-a-Song and Smile sessions!

Dementia Friendly Worthing has teamed up with the Alzheimer's Society and Mr Ric Gray for free Sing-a-Long sessions for people living with dementia and their carers.

Held every 2nd and 4th Tuesday of the month from 9 June. Sessions are 30 minutes.

They are via Zoom, but if you don't know how to use Zoom we can support you with this.

Virtual Dementia Friends Sessions hosted by our co-ordinator Lynsey

The first webinar is on Thursday 25 June at 11 am. Why not encourage your staff or a friend to join in one of these 30-minute free sessions? Dementia Friends Sessions help raise awareness of the challenges that people affected by dementia are facing and enables your family or business to find ways in which you can improve to meet their needs.
