<b>Department:</b>	<b>Dispute Resolution</b>
<b>PQE Range:</b>	<b>3 years +</b>
<b>Reporting to:</b>	<b>Head of Dispute Resolution - Amy Offen</b>
<b>Hours:</b>	<b>Full Time/Part Time Considered</b>
<b>Salary:</b>	<b>Competitive + Benefits</b>

**The Opportunity:** We are recruiting for a technically strong individual to act as an integral part of our Dispute Resolution department. We require someone who wants to be part of a progressive, ambitious and commercially successful, but also friendly, firm.

**Ideal Candidate** Our ideal candidate has a passion for contentious Wills, Trust and Probate law and a knowledge of litigated Court of Protection work. This role involves building on what is currently a small mixed case load of Inheritance Act claims, Will disputes, Trustee and Attorney disputes and capitalising on the strong internal referrals from our large Private Client and Court of Protection teams. Our ideal candidate is a great team player looking for an exciting opportunity to develop and progress their career in this area. We see this as a real growth area for the firm and are committed to finding the right person to take it forward.

We would be looking for candidates with a strong network of both clients and referrers in the local and surrounding areas. However we always interested to hear from talented individuals outside the area who have a proven track record in winning new clients and forming long-standing relationships.

As you will expect, our ideal candidate will also:

- Be able to prioritise workloads whilst remaining resilient under pressure and competing demands.
- Provide quality client service and consider this together with relationship building, a high priority.
- Be self-motivated and capable of working to deadlines.
- Be a team player whilst also able to work alone.
- Enjoy building relationships across our teams
- Possess strong communication skills, a flexible approach and a willingness and desire to help grow the team.
